Omnibus, quibus datum est frui dono, quod signatum est super nos lumen vultus tui Domine  
hoc est ratione, fas est clamare; vix retro scripta demonstratione perspecta, O altitudo  
divitiarum sapientiae et scientiae Dei, quam incomprehensibilia sunt iudicia eius, quia luce  
meridiana claret, quod Deus et non alia vel sanguinis vel lenitatis aut alterius humanitatis  
conditio movit animum augustissimi Caroli, Caesaris, ut in corde suo firmaret, quas filias retro  
scriptis regalibus Principibus Lotharingis matrimonio, ut jungeret, Immo elucescit, quod salus  
communis hostis, eius tantum ministris submotis, potuerit tam sanctam, et salutarem delib  
rationem hucusque retardare. Quid mirum ergo, si perspicitur Pyssimus Caesar a b eius  
hostibus tam acriter lacepsit, Romanorum Imperium indequeque subverti? Dum demonstrata  
divina iudicia detrectat genere executioni committere, quae p. Deo dictante p. statueret firmavit.  
Nullum hucusque inter regnum legitur tam diuturnum, quam Hispanicum p. p. p.  
Nulla via quieti, firmi Septem Austro-Imperio datum est inveniri. Immo quavis Jura  
sive continentiarum Cessio, iurgia majora produxit, et quantum ambitioni, pacis p.  
perturbatoribus datum est: tantum cessit in majus, Europae totius, imo Religionis praedictum  
et quare Deus noluit hactenus pacem in terris mittere? nisi quia adhuc, qui mundum pacificare quiverit,  
ipse non dederat ad maturitatem, sed cum nunc praefinitum tempus divina sapientia compleverit,  
ut pacis fragifragis sterneret, antiquissimus humani generis hostis, ne tam salutare bonum mundo  
fidei daretur, egit, ut diabolici ministri futilibus rationibus, et allucinationibus mentem Caesaris  
subducerent, a decretis matrimonij retraherent, omnemque lapidem moverent, ut hostibus libertatis  
et quietis publice deservirent; et Austriacam domum, a sacro sanctum Romano Germanorum Impe  
rium destruerent. Sed quia satis constat, quod hoc plantam pedis habet ferream fortiterque in fi  
cam humo, et tunc destruetur, quando Christus ceteris mundi regni finem imponet, adeoque cum in  
praesentiarum nullum remedium constet pro salute eius, et libertate totius Germaniae, imo  
curone nisi matrimonia praedicta, quibus austriacum Ius hereditarium, et fidei fulcrum firmetur,  
ut sic Hispani viso eorum iudicio haec usurpatores rejiciant, ut perturbatores Imperij con  
quiescant. Dicendum est quod nullus aequitatis iustitia, et pacis amator erit, qui renuat, imo  
non compellat Caesarem ad matrimonia praefata citissime agenda. Dicent antiquissimi  
hostis sectatores: Neus quae bella fient, si haec compleantur? verum est quod dicent, imo  
pejora. Sed quid ad haec? Nonne certum est, quod Deus factis iudicis sanctique peractis  
firmavit, nec homo aut Satan distrumpent, et quis ut Deus? Rex Gallicus? nec ipse Illaris  
ergo: O Europa voces extolle Caesar pacis, et Religionis amator matrimonia libissime execu  
tioni committat, cum retro scriptis legitime a Deo praedictis Ius habentibus, et tunc univer  
sis letabundus ut quisquam impotenter clamabit, dicetque nil novimus hactenus, nec quisque  
posthac inveniet ex his, nisi festum letum, caeleste supernum.
